**Heaven's Door**

**Music:** Marcel Geven **Lyrics:** Marcel Geven

Soul's cryin out at night  
Desire is gone  
A shadow in my mind  
Tears without words

Scared to face truth again  
A slave of my own  
My body aches I'm feelin' cold  
Afraid to loose it all

I can't find the answers  
The reason of it all  
Can't live this life no longer  
I wanna come home

None can break the silence  
None knows my pain  
My soul cries please forgive me  
I'm walkin' in the rain

The dreams that i've been livin for  
Slowly fade away  
Reach my final destiny  
Facin' fears and pain

I can't find the answers  
The reason of it all  
Can't live this life no longer  
I wanna come home

None can break the silence  
None knows my pain  
My soul cries please forgive me  
I'm walkin' in the rain
